2/2/2017

Version 2.1.1

Bugs-Known issues

- 1.) Minimized icon widget has move limits to left side of map
- 2.) Measurement text at incorrect angle on prints
- 3.) Numeric Keys on keyboard sometimes does not work

Fixes

- 1.)

Layer Changes

1.) Added oil and Gas Data Group

- Oil & gas Wells
- Oil & gas Well Labels
- Directional Lines
- Directional Line Labels

2.) Added Agricultural Data Group

- Agricultural Properties
- Agricultural Labels
- CAUV Properties
- CAUV Symbol Labels

3.) Added Emerengcy Management Data Group

- Emerengcy Zones
- Emerengcy Zone Labels
- Fire Districts
- Fire District Labels
- Fire Hydrants
- Fire Hydrant Labels
- Fire Stations
- Fire Station Labels
- Government Buildings
- Government Building Labels
- Hospitals
- Hospital Labels
- Nursing Homes
- Nursing Home Labels
- Police Stations
- Police Station Labels
- Treatment Plants
- Treatment Plant Labels
- Schools
- School Labels
- School Buffer (1000')
- Warning Sirens
- Warning Siren Labels

Enhancements

- 1.) Added XY Widget to Tools Widget Group
- 2.) Updated "Layer Search Tools" to reflect new layers
- 3.) Added Buffer Point Widget

Widgets in Development

- 1.) Incident Analysis Widget

2/26/2017

Version 2.2

Bugs-Known issues

- 2.) Measurement text at incorrect angle on prints
- 3.) Numeric Keys on keyboard sometimes does not work

Fixes

- 1.) Corrected Youngstown Ward Index Layer Search

Layer Changes

- 1.) Fire Hydrant QC

Enhancements

- 1.) Incident Analysis Widget
- 2.) Removed help info boxes (John request)
- 3.) Added Save Session Widget
- 4.) Added Turn on/off & Collapse layers to Layer Widget
- 5.) Added Auto load to Time Aware Widget

Widgets in Development

- 1.) Parcel Report using html layouts
- 2.) E911 Logins/Widget Tools
- 3.) Green Team Address/Drop off Search tool
- 4.) Parcel Report Widget for prints

8/22/2017

Version 2.3

Bugs-Known issues

Fixes

Layer Changes

- 1.) Added Base Map Road Symbols to Municipal Data
- 2.) Added Base Map Parks to Municipal Data
- 3.) Added Base Map Place Names to Municipal Data
- 4.) Added Place Marker for 2016 Orthos
- 5.) Added Roadway Index (Historic) to Engineering Data

Enhancements
